Infant and Toddler Health and Safety Workshop for Men

DOCTOR DAD IS A PROGRAM FOR NEW DADS THAT INCREASES FATHERS' HEALTH LITERACY, PROVIDING MEN WITH THE KNOWLEDGE AND SKILLS THEY NEED TO SUCCESSFULLY TAKE CARE OF THEIR YOUNG CHILDREN.

Learn All About

- Taking a temperature
- Child-proofing the home
- Treating minor injuries
- Infant nutrition
- Stages of growth

*“I wish my Dad knew this stuff before I was born.
Teen Dad, Dr. Dad Participant”*

“It's great having the baby's dad involved in the educational process. I feel he is more interactive with the children since he has been a part of the education.”

Mother of newborn baby

Please join one of our **free 2011** workshops:

April 10th and 11th
August 15th and 16th
October 17th and 18th

All workshops are held from 6:30 pm—8:30 pm in the Multi-Purpose Room at Schuylkill Medical Center South Jackson Street. Call 570-621-5239 for more information or to register for the workshop.

For more information about this and other programs just for fathers in Schuylkill County, please visit Clinical Outcomes Group, Inc. at www.COGInc.org. This program is made possible by a grant obtained from National Fatherhood Initiative (NFI) through the National Responsible Fatherhood Capacity Building Initiative (NRFCBI).
